Helping people to help themselves

The Way Ahead service, is available to people who are 29 or over and:

- have a criminal conviction
- OR are homeless
- OR are receiving support for an addiction.

If you are eligible, the Way Ahead service could give you:

- one-to-one mentoring to help you work out your next move
- support and advice with housing
- training and learning based on your needs
- support when you are in work.
